

SPARKLE
MARQUEES
WEDDINGS - EVENTS - FESTIVALS

Weddings. Events. Festivals. Anything

Sparkle Marquees

We want your wedding, festival, or event to be the best it can be, which is why you will always get the best service.

Sparkle Marquees can be used in all weather conditions and can be set up with open or closed side panels. With three layers providing excellent insulation, our tent hire will provide warmth in winter and keep your guests cool in summer. Whatever happens on your special day, you will have peace of mind.

We are based in sunny Newcastle, NSW but can service Australia.

Our Marquees

Boutique marquee hire, perfect for weddings and festivals - making your experience unforgettable!

Our marquees are designed and constructed by hand skilled craftsmen using traditional Indian time-honoured techniques and the finest materials including 200gsm cotton, high quality mirror and threads which create a resilient water and fire proof outer cover.

Social Responsibility — The skilled Indian craftsmen that make our perfect marquees, are paid an above average wage and their children are put through school.
